

Technical drawing of a lampshade assembly. The drawing includes a 3D perspective view of the assembled lamp and a 2D exploded view of its components, labeled 1 through 6. The components are:

- Part 1:** A large rectangular base plate, 180 units wide and 120 units high.
- Part 2:** A small rectangular piece, 85 units wide and 20 units high.
- Part 3:** A long, thin rectangular piece, 280 units long and 25 units high.
- Part 4:** A small rectangular piece, 20 units wide and 25 units high.
- Part 5:** A small rectangular piece, 20 units wide and 25 units high.
- Part 6:** A large, trapezoidal lampshade, 60 units wide at the top and 130 units wide at the bottom, with a height of 150 units. It features a curved bottom edge with a radius of R10.

The lampshade is made of Fibrofácil 3mm. The base plate is labeled 1. The lampshade is labeled 6. The lamp is labeled 2. The lamp is labeled 3. The lamp is labeled 4. The lamp is labeled 5. The lamp is labeled 6.
